Dance Audition Information

The dance audition requirements are:

1. Students must have an open mind, intellectual flexibility and a willingness to work in a tight, high level group.
2. GISPA Dancers need to be able to create and perform original choreography and demonstrate an advanced level of skill & technique training.
3. In the audition, Dancers will be asked to create and perform a two minute piece of original choreography, as well as be ready to improvise movement. There will also be a conversation/interview about their experiences, skills, and time for them to ask us questions about the program. Dancers are asked to bring their complete paperwork into the audition.
